

1st ELSA SPRING CONGRESS “MIS on THE SILK ROAD”

28-29 April 2023 Samarkand, Uzbekistan

CONGRESS AGENDA

Day 1 | 28 April 2023

Hall 1 8:30 – 09:00 Registration & Opening Ceremony

09:00-10:30 Hall 1 - Symposium 1: GI Surgery
Moderators: Asim Shabbir, Feruz Nazirov, Adxam Ikramov, Azamat Shamsiev, Erdal Bostanci

MIE Esophagectomy. **Erdal Bostanci, Turkey**

Laparoscopic gastric surgery for benign gastric tumor. **Asim Shabbir, Malaysia**

Update in Surgical treatment for GERD and Achalasia. **KumarVimal, Malaysia**

How to do best Sleeve gastrectomy: tips and tricks. **Mahir Ozmen, Turkey**

Laparoscopic gastrectomy for gastric cancer. **Philip Chiu, Hong Kong**

Laparoscopic echinococcectomy of the liver in children
Jamshid Shamsiyev, Uzbekistan

09:00- 10:30 Hall 2- Symposium 3: Update in Flexible Endoscopy.
Moderators: Philip Chiu, Asim Shabbir, Ray Sarmiento, Jamshid Shamsiyev

Advances in Flexible Endoscopy. **Philip Chiu, Hong Kong**

POEM. **Philip Chiu, Hong Kong**

EUS. **Ray Sarmiento, Philippines**

ERCP. **Ray Sarmiento, Philippines**

Endoscopy in Emergency Setting. **Asim Shabbir, Malaysia**

09:00 - 16:00 Main Hall - Poster section 1: gastrointestinal tract, diseases of the hepatobiliary system

Moderators: Raad AlMehdi, Gafoor Mubarak, Djamshed Atakulov, Abdurashid Xamraev

10:30 – 11:00 Greenhouse: Tea – Break

11:00 – 12:30 Hall 1 - Symposium 2: HPB Surgery
Moderators: Mahir Ozmen, Allen Buenafe, Valeriy Sataev, Mirzagolub Tillashayxov, Jamshid Shamsiyev

Laparoscopic Bile Duct Exploration.
Iyer Shridhar, Singapore

Laparoscopic Liver Resection
Iyer Shridhar, Singapore

Minimally invasive pancreatic surgery: state of the art & future.
Kadri Colakoglu, Turkey

How to do a safe Laparoscopicolecystectomy.
Rolf Hartung, UAE

Laparoscopic management of benign gastric outlet obstruction.
Raad AlMehdi, Oman

11:00 – 12:30 Hall 2 - Symposium 4: Colorectal Surgery
Moderators: Gurbankhan Muslumov, Allen Buenafe, Ho-Kyung Chun

Technique of Laparoscopic Right Colectomy with CME.
Allen Buenafe, Philippines

Laparoscopic Anterior Resection for Rectosigmoid Cancer.
Gurbankhan Muslumov, Azerbaijan

Rectal Cancer Update.
Emre Canda, Turkey

Philosophy of CME and Robotic Right Colectomy with CME.
Mahir Ozmen, Turkey

Megarectum in children (multicenter research).
Igor Kirgizov, Russia

Videolaparoscopic assisted surgery for Hirschsprung's disease in children
Jamshid Shamsiyev, Uzbekistan

12:30 – 13:30 Greenhouse: Lunch – Break

**13:30 – 16:00 Hall 1 – Live Surgery Session
(Operating Theatres 2)**
Broadcast from the operating rooms of the Specialized Pediatric Surgical Clinic

Surgeons: D. Lomanto, P. Chiu, R Sarmiento, A Buenafe, Moslumov G, Asim S, I Shridhar, K Imamura, M Ozmen, Vimal K, Gafoor M, M. Okawada, Raad U. AlMehdi

Operating Theatre 1:

Tentative Surgery: Laparoscopic Nissen, Laparoscopic sleeve gastrectomy, Laparoscopic OAGB

13:30 - 16:00 Hall 2- Symposium 5: Free papers
Moderators: *Amulya Saxena, Xabibullo Akilov, Saidmurad Ismailov, Jamshid Shamsiyev*

Endoscopic surgery of liver hydatidosis (echinococcosis) complicated by biliary fistulas.
Feruz Nazirov, Uzbekistan

Laparoscopic duodenal atresia repair: technique & outcomes, will be perfect.
Amulya Saxena, UK

Laparoscopic surgery experience in the treatment of kidney tumors.
Mirzagolib Tillyashaykhov, Uzbekistan

Results of laparoscopic sleeve gastrectomy in the treatment of patients with morbid obesity.
Shukhrat Khashimov, Uzbekistan

Effect of left atrial volume indexed on the success of thoracosopic ablation of atrial fibrillation.
Madina Kadyrova, Russia

The role of endovideosurgery in urgent abdominal surgery in children.
Khabibullo Akilov, Uzbekistan

Endosurgical interventions in the treatment of congenital hypertrophic pylorostenosis in children.
Shavkat Salimov, Uzbekistan

Thoracosopic correction of esophageal atresia in newborns.
Bakhtiyor Ergashev, Uzbekistan

**09:00 - 16:00 Main Hall - Poster section 1:
gastrointestinal tract, diseases of the hepatobiliary system**

Moderators: Raad AlMehdi, Gafoor Mubarak, Djamshed Atakulov, Abdurashid Xamraev

**Hall 3 - Live Surgery Session
(Operating Theatre 2)**
Tentative Surgery: Laparoscopic Nissen, Laparoscopic sleeve gastrectomy, POEM

Day 2 April 29, 2023. 8:30 – 09:00		Main Hall - Registration	
09:00- 10:30	Hall 1 - Symposium 6: Paediatric Surgery & VATS. <i>Manabu Okawada, Shavkat Salimov, Maxmud Aliyev, Akmal Raxmatullayev, Jamshid Shamsiyev</i>	09:00- 10:30	Hall 2- Symposium 9: HOT Topics <i>Moderators: Ray Sarmiento, Nasriddin Ergashyev, Marina Sonova, Nuriddin Muhiddin</i>
	Basic technical steps for laparoscopic paediatric surgery. <i>Manabu Okawada, Japan</i>		The challenges of revisions in Bariatric surgery. <i>Raad AlMehdi, Oman</i>
	Thoracoscopic surgery for pleural empyema in newborns and infants <i>Valeriy Sataev, Russia</i>		Setting a Bariatric Multidisciplinary Centre. <i>Gafoor Mubarak, Malaysia</i>
	Results of minimally invasive surgical treatment of Hirschsprung's disease in children. <i>Ramiz Poluxov, Azerbaijan</i>		Bile duct injuries during laparoscopic cholecystectomy. Is it preventable? <i>Yahya Al Azri, Oman</i>
	Laparoscopic Splenectomy in Children. <i>D. Lomanto, Koh Zong Jie, Singapore</i>		Laparoscopic management of liver cysts. What are the options? <i>Salah Aljabiri, Oman</i>
	Laparoscopic treatment of pinched inguinal and inguinal-scrotal hernias in children. <i>Vladimir Alyangin, Russia</i>		Pregnancy after laparoscopic sacrohysteropexy (a case report). <i>Marina Sonova, Russia</i>
	VATS. Thoracoplasty according to the D. Nuss method for congenital pectus excavatum in children. <i>Jamshid Shamsiyev, Uzbekistan</i>		The role of endoscopic and tracheal plastic surgery with the formation of a lumen on a t-tube in the treatment of patients with cicatricial stenosis of the trachea combined with tracheoesophageal fistula. <i>Otabek Eshonkhodjaev, Uzbekistan</i>
10:30 – 11:00 Greenhouse: Tea – Break			
11:00 - 12:30	Hall 1 Symposium 7: Abdominal Wall Surgery <i>Moderators: Allen Buenafe, Rolf Hartung, Bobir Abdusamatov, Saidanvar Agzamkhodjaev</i>	11:00 – 12:30	Hall 2 Symposium 10: Free Papers and Video . <i>Moderators: Ramiz Poluxov, Bakhtiyor Ergashev, Asiljan Erekeshev</i>
	Endo-laparoscopic Inguinal Hernia Repair: TEP. <i>Sajid Malik, Pakistan</i>		Advantages of single-port thoracoscopic access for thymectomy in patients with thymomas with myastenic syndrome. <i>Otabek Eshonkhodjaev, Uzbekistan</i>
	Endo-laparoscopic Inguinal Hernia Repair: TAPP <i>Kumar Vimal , Malaysia</i>		LrI approach for thoracoscopic treatment of atrial fibrillation. <i>Egor Malysenko, Russia</i>
	IPOM for Ventral Hernia Repair <i>Allen Buenafe, Philippines</i>		Surgical correction of funnel-shaped deformity (pectus excavatum) in adults. <i>Aleksey Pechetov, Russia</i>
	e-TEP for Midline hernia <i>Kiyotaka Imamura, Japan</i>		Assessment of torascoc operation of non-parocosismal athible fibrillation. <i>Elizaveta Strebkova, Russia</i>
			Patients with types II - III esophageal hernia, the results of surgical treatment. <i>Shukhrat Khashimov, Uzbekistan</i>
			Videolaparoscopic diagnosis and surgical treatment of hiatal hernia <i>Nuriddin Muhiddin, Tajikistan</i>

12:30 – 13:30 Greenhouse Lunch – Break

13:30 – 16:00 Hall 1 Symposium 8: Robotic Surgery
Moderators: *Mahir Ozmen, Asim Shabbir, Mikhail Vyborniy, Madina Kadyrova*

Update on Robotic devices.
Daive Lomanto, Singapore

UGI Robotic Surgery.
Asim Shabbir, Singapore

Robotic in Abdominal Wall Herni.
Daive Lomanto, Singapore

Lower GI Robotic Surgery.
Mahir Ozmen, Turkey

Robotic abdominal surgery in a private clinic: the bariatric surgery experience.
Mikhail Vyborniy, Russia

13:30 - 16:00 Hall 2- Symposium 11 - MIS in Pediatric Patients
Moderators: *Igor Kirgizov, Xabibullo Ibodov, Vladimir Alyangin, Jamshid Shamsiyev*

Laparoscopic treatment of congenital duodenal atresia in infants.
Bakhtiyor Ergashev, Uzbekistan

The experience of endoscopic correction of congenital diaphragmatic hernia in children.
Bobir Abdusamatov, Uzbekistan

Application of endoscopy in the treatment of neonatal tumour formations of the abdominal cavity.
Asiljan Erekeshev, Kazakhstan

One-stage transscrotal orchidopexy in bilateral inguinal cryptorchidism in children.
Nail Akramov, Russia

Laparoscopic dismembered pyeloplasty as the management of pyeloureteral junction obstruction in children.
Saidanvar Agzamkhodjaev, Uzbekistan

Endoscopic correction of high-grade vesicoureteral reflux in children.
Akmal Rakhmatullaev, Uzbekistan

Laparoscopic echinococcectomy of the liver in children.
Jamshid Shamsiyev, Uzbekistan

09:00 – 16:00 Main Hall - Poster section 2: urology, thoracic surgery, oncology

Moderators: *Sajid Malik, Jamshid Shamsiyev, Shuxrat Yusupov*

16:00 Closure and Certification
